Footliters Announces Expanded 56th Season

CADILLAC, Mich. - Today, Cadillac's Footliters announced their expanded 56th Season. The 2019-2020 season features additional performances, music, youth programming, and venues as the non-profit community theatre group continues its growth.

"After the excitement our first teen Junior Footliters production generated, we knew our community was hungry for more new, exciting, and special productions," said Footliters' president Joe Baumann. "We're thrilled to announce our 56th season in Cadillac, which promises even more engagement, enrichment, and entertainment."

Footliters kicks off the season in style with *The Addams Family*, the hilarious musical based on the well-known television family-Gomez, Morticia, Wednesday, and Pugsley. The production features seven performances over the weekends of October 18 and 25, 2019, including an additional private performance for a local business' employee event.

"We're proud our season-opening production features two more performances than usual as we strive to meet new demand and continually grow as a community asset and partner," said Baumann.

In December, Footliters rings in the holiday season with a **new holiday cabaret** for a heart-warming one-weekend engagement, bringing together Juniors and adults to spread holiday musical revelry in an intimate setting. Footliters' holiday production intends to partner with another area venue to bring the spirit of the holidays into the community.

"For the holidays, we originally planned to produce *Miracle on 34th Street*, but immediate and incredible interest in *the Addams Family*, lack of a permanent home, schedule limitations, and consideration of other major Cadillac community events meant shifting our season to accommodate our communities' needs," said Baumann. "We're thrilled to provide another new performance opportunity and audience experience to Cadillac, while already planning to produce *Miracle on 34th Street* next season."

In the new year, Footliters takes flight with *Boeing Boeing*, the sidesplitting farce following the traditions of well-timed physical comedy that audiences won't want to miss the weekends of January 17 and 24, 2020.

Footliters' Juniors roar into action on April 3, 2020 with *Lion King, Jr.*, the much-loved adaptation of the full Broadway show with area students between the ages of 8 and 13. The show also serves as the basis of learning for Footliters' drama camp August 12-16.

Musical fans won't want to miss Footliters' final adult show of the season the weekends of June 12 and 19, 2020—the incredibly popular *Mamma Mia*, based on the movie of the same name and music from ABBA.

Finally, Season 56 closes with a classic as Footliters' upper Juniors perform Rodgers' and Hammerstein's *Cinderella* the weekends of July 31 and August 7, 2020.

"Fifty-five years of enrichment and entertainment has led us to this moment—an incredible and expanded 56th season," said Baumann. "As we search for own home to

continue Footlitters' growth in and impact on our community, we could not be more proud of what we are about to show you.”

ABOUT CADILLAC FOOTLITERS
