Support Great Local Theater!

How Does Your Support Make An Impact?

Production costs for one show can average anywhere from \$2,000 up to \$6,000 depending on if the production is a musical or non-musical. Ticket sales are only able to partially cover the cost of a production. Memberships, sponsorships, and additional contributions are necessary to fill that gap and help Cadillac's Footlites continue making great shows possible!

Become a member! Sponsor a show! Volunteer! Pick up some swag! Support and become part of our growing fine arts community, nourishing the talent of our community actors, musicians, and dancers. As a member, you can be part of our great community theatre—on stage, behind the scenes, or in the audience.

If you would like to support your community theatre but prefer not to take an active role, please consider making a financial donation.

Sponsorships help pay for:

- Show production rights—production rights and rental fees cost between \$1,000 and \$5,000 per show
- Sets and set building, lumber, paint, hardware
- Costumes
- Technology—special lighting, sound effects, wireless microphones, mechanical animated prop maintenance
- Props—furniture and other items
- Equipment rental, special costumes, tools, and specialty orchestral instruments that help complete a show

Whether it's through membership, sponsorships, or volunteering—you can be part of our mission!

She is especially excited to be directing *Frozen Jr!* Jen serves as the Footliters Board Vice President.

She also served as a trustee on the Footliters board for several seasons. A Message From Our President, Joseph Baumann

Welcome BACK to the theater. We're back. And YOU'RE back. Thank you for joining us, caring about the arts, and maybe, for a few hours, forgetting all the stressful things happening outside. Thank you to McBain for welcoming us again after our record breaking run of Mamma Mia in April!

"Loss and Recovery" is my unofficial theme for Footliters' 58th Season. We all lost something during this miserable period and as told through our stories this Season, perhaps that loss was personal to an article of clothing ("Love, Loss and What I Wore"), a unifying event of terrible significance ("The Guys"), exhibited in the escape of life-altering love ("Mamma Mia"), or even the death of royal parents in a maritime accident (alright, some references will fit better than others!).

I do know, though, that ALL of the shows you will see this season (except Clue, which was just FUN!) are about the redemption and recovery that comes AFTER the loss. And is there anything more necessary to hear right now?

Theater will #Enrich our community again, your presence here and partnership with our community businesses and nonprofits will #Engage new people in the arts (25+ in this show alone!), and, if we have done this right, what you see will soon #Entertain you. Our mission remains and, I'd argue, is more important than ever. So, follow us on Facebook, like us on Instagram, and tell your friends that the performing arts are back. Recovery is upon us.

Directors' Note

When COVID-19 abruptly halted our Jr Players Production of Disney's Lion King Jr in March of 2020, just three weeks away from opening night, we were heartbroken. While we never were able to share that production with the community, we wanted to acknowledge the amazing cast and crew. Please know your talent was seen and your story was heard.

Now that we are back, we are so grateful and excited to be on the stage in this beautiful auditorium, with this lovely show and THIS amazing Jr Players cast! They are a magnificent combination of talent, creativity, commitment, and fun! Their positivity and love for performing are evident throughout this production. We could not be prouder of each and every one of them.

It goes without saying that we could have never created this production alone. Our sincerest thanks to Malorie Bosscher, Neisha Hibbs, Mia Kadwell and Elizabeth Pechota for being part of our directorial team and sticking with us every step of the way. To our mentor team for being so generous with their time and talents. To our Jr Player families for supporting your young thespian(s). A show this size could not happen without everyone's support and cooperation.

Watching a young person discover and fall in love with theatre is magic. It really is just that simple for us. Together, we weave a tapestry of moments in time and memories that last a lifetime. The goal of Footliters is to engage, enrich and entertain our community. We have no doubt these young people will do just that. Enjoy the show!

With gratitude,

Jennifer Neff and Heidi Pechota

A Company

In Memory of Pat Goggin

The Footliters and Cadillac Community lost an incredible advocate for the arts this year in Pat Goggin. Pat was an ever-present force at every community event, clapping loudly in our audiences, and doing anything asked of him backstage. When he wasn't in the audience or backstage, he was telling YOU how integral you were to that event – whether you were backstage, on stage, or in the audience -- he made you feel like it couldn't happen without YOU. The Footliters shares that feeling, but now we all feel a little lost without his beating heart and soul giving us a hug, thanking us for OUR talent, and imploring us all to do something to make our slice of the world just a little better. We miss you Pat.

Everyone listed below gave generously to the Footliters this year, in Pat's memory, and we thank them for their generosity and for remembering Pat with their selflessness.

Footliters would like to thank **First Presbyterian Church of Cadillac** for their community partnership providing a rehearsal space for our productions.
