# A Note from the Director

Welcome to the Cadillac Footliters' production of Newsies! Thank you for coming to see this amazing group of young people who have dedicated so much time and energy into making this production one you will not forget. We are incredibly excited to perform in this newly renovated space and can't thank the community enough for your support.

This cast. I say to them repeatedly how talented they all are and I cannot express it enough here. They all have given so much time out of their busy teenage summer schedules, and I am so proud of each and every one of them and cannot wait for all of them to shine on stage. I have been so fortunate to have gotten to know them all through this production and they all have made this show a pleasure to direct.

While this is my first show I am directing with Footliters, I have had a team of seasoned professionals supporting me through this entire process. My wonderful mother and Assistant Director, Jennifer Neff, has made this process so enjoyable and I am so thankful I get the opportunity to direct alongside her. I could not have done this without her continued support and watching her passion with the youth of this community is so inspiring.

We could not have done a musical without the incredible Amy Swanson, our music director! The music in this production is intense and Amy tackled every note with efficiency, grace, and pure joy. I am in awe of your talent, passion, and kindness every time I watch you teach and I am so grateful I have gotten to be mentored by you in this production. The music is everything in this production and we could not have done it without you!

Melissa Kendell is an equally incredible and integral part of our production team and stepped up and stepped in wherever and whenever we needed her. Her organization of communications, food, conflicts – you name it, she did it! In addition to all of the other tasks Melissa handles, she has been an incredible Assistant Director and Producer and I am so grateful for her mentorship during this process. Thank you, Melissa, for your continued support and insight as it has been vital to this production!

Choreography is an integral part of Newsies and I have been fortunate enough to have incredible choreographers for this production. Hannah Sengelaub and Mackenzie Gabara have tackled this choreography with ease and grace and have made this show something I couldn't even fathom. I have known these lovely ladies most of my life, and I am so glad I have the opportunity to work with you as a peer in this show!

And one last quick thanks to Dan Wilson, my set builders, stage crew, and all of the volunteers that have given their time and energy into making this production possible. Without them, no show of this caliber would be possible and I cannot thank them enough. And with that, sit back, enjoy the show, and get ready to Seize The Day!

## **A Message From Our President, Joseph Baumann**

Sixty years is a big deal. Whether it's a birthday milestone, a diamond wedding anniversary, or a theatre's existence. Much like any life or relationship well-lived, there have been ups and downs – the loss of our theatre, a number of false starts toward a permanent home, and, yet, 60 years of engaging, enriching, entertaining. All for the love of theatre.

We promised you a huge 60th Season, including two huge youth shows, drawing nearly 100 area students (almost 40% who were acting for the very first time!). We produced Noises Off, with a fully rotating, two-level set, and Our Town, the great American classic. Finally, we closed out with the classic Hello, Dolly and the show you are seeing today, Newsies the Musical. I could not be more proud of the product we put on and I hope you got to see it all.

Our Board of Directors hopes you like what you see, because we can't do it without YOU. Not just in the audience, either -- join us. Audition for a show, share a talent, learn a new skill, find a new tribe.

Footliters' responsibility is simple -- #engage new people in the arts, #enrich our community through balanced show offerings and charitable partnerships, and #entertain by producing quality that YOU want to see. Succeeding here is our only path to another 60 years.

Our first 60 years were worthy of celebration. Join us and be part of our NEXT 60.

---

## How Does Your Support Make An Impact?

Production costs for one show can average anywhere from \$2,000 up to \$6,000 depending on if the production is a musical or non-musical. As a member, you can be part of our great community theatre—on stage, behind the scenes, or in the audience.

If you would like to support your community theatre but prefer not to take an active role, please consider making a financial donation.

### Sponsorships help pay for:

- Show production rights—production rights and rental fees cost between \$1,000 and \$5,000 per show
- Sets and set building, lumber, paint, hardware
- Costumes
- Technology—special lighting, sound effects, wireless microphones, mechanical animated prop maintenance
- Props—furniture and other items
