Director's Note

Thank you for joining your Cadillac Footlitters in kicking off the holiday season with A Christmas Carol. All I have to say is that this cast and crew has been a pleasure to work with. The enthusiasm and energy I feel from this cast embodies the Christmas Spirit. Each rehearsal is filled with laughter, camaraderie, and teamwork. It has been a pleasure seeing the wisdom shared from our seasoned actors to our youth actors and vice-versa. Since the first audition, I knew this would be an amazing cast to work with and an even better show. Each rehearsal forward only cemented that feeling. I want to sincerely thank anyone who has donated their time to make this production come to life.

What I adore about this classic story is how the central conflict is something that grows increasingly relevant for myself and many others. I find myself mourning the loss of my own child-like wonder and excitement surrounding Christmas time. As I have gotten older, Christmas has not felt special from any other time of year. That devastates me. This story reminds us that the Christmas Spirit does not occur naturally in the world; Every person must make the choice to pursue it. So be generous. Generosity is not only about how we spend our money, but how we spend our time as well. Make the choice to set aside time for loved ones, to do something kind for others, and if you have the financial ability, use that money to make a positive difference in your community. The choices you make now will determine the road that lies ahead.

Get ready to be visited by three ghosts and endure a night of reflection, merriment, and terror as we venture through the past, present, and yet to come. I hope that you will find yourself, your family, your friends, and neighbors reflected on this stage tonight. Thank you for being generous with your time and choosing to support the Cadillac Footlitters this holiday season. Our cast and crew have worked countless hours to engage, enrich, and entertain you. Enjoy the show and Merry Christmas from the Footlitters family to yours!

God bless us, everyone,
Elizabeth Pechota

CAST BIOS

Alexis Alto (Boy #1, Fezziwig Attendee, Want, Fighter) - Alexis is a talkative and energetic little girl who despite her need to always be talking (even backstage) enjoys theater just the same. Alexis has been involved in 9 OTHER productions and loves many sports including basketball, wrestling, dance, soccer, volleyball, and cross country. She loves pigs. She loves money, and she loves negotiating. She would like to thank Footliters for everything.

Amelia Anderson (Ensemble) - Amelia is a sixth grader at MTMS. This is her fourth show with Cadillac Footliters. Along with theater, Amelia enjoys art, swimming, and snuggling with her two cats. She has enjoyed working with the cast and directors and can't wait for the next production.

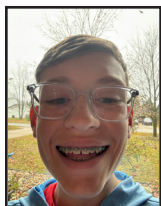

Shawn Barnes (Ensemble) - Shawn is new to the Footliters, he loves theater and is very thankful to be a part of such an amazing cast. He has done other performances in high school but returns to the stage 14 years later. He decided to return to show his kids anything is possible and to do anything you love. He would like to thank his family and friends for their support during this time and for being patient.

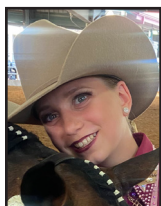

Kylee Batistoni (Martha Cratchit) - Kylee is so grateful to be a part of this cast! She has been doing theater for a couple years and has loved every production. She would like to give some credit to her mom for being so encouraging throughout all of it.

Leslie Benson (Mrs. Dilber) - Leslie is a retiree from Cadillac Public Schools and this is her 3rd Footliters show. She has always found theater to be a magical experience. She recommends everyone who has an interest to audition for upcoming shows. It's a wonderful experience and there's room for all.

Caleb Benzenberg (Peter Cratchit) – This is Caleb's 5th production with Footliters. He is very excited to put on the show *A Christmas Carol*. He does basketball and cross country. He wants to thank his mom and dad for getting him to and from the practices and his brother Caden for always cheering him. He also wants to thank all the directors for helping him come into his character. He hopes to see you there!!

Harper Brinks (Boy #2, Ignorance, Ensemble) – Harper has had a great time with the cast and production of *A Christmas Carol*. She enjoys the outdoors, dancing, and working with her horses. Harper has been in three other productions: *Frozen*, *Junie B. Jones*, and *Suessical*, which she liked very much. This is her fourth production and she intends to do more. She has a lot of fun in these shows with her friends. Harper would like to thank family and friends for supporting her and her directors for helping her get better at her acting skills and for making this happen!

John Carper (Gentleman #1, Schoolmaster, Mr. Fezziwig, Miner, Blind Man, Undertaker) – John moved to Cadillac 5 years ago and he is very pleased to say Cadillac is home. He is grateful to be part of Footliters and honored to be among a wonderful group of people.

Ann Clous (Old Hag, Mrs. Fezziwig) – Ann has been in a few Footliters productions lately, including *Our Town*, *Hello Dolly*, *Mamma Mia*, and *Matilda*. Ann enjoys the camaraderie with the other cast members and having a chance to meet new people in our community. Ann is grateful to the directors, producers, and set builders (and anyone she may have missed) for the hours they put in to making productions like these the best they can be. Hope you enjoy *A Christmas Carol* – and Merry Christmas!

Colleen M. Desmond (Topper, Ensemble) – Never afraid to have fun, Colleen didn't hesitate to join her mother and sister on stage when the opportunity arose. Although *A Christmas Carol* is her first acting experience, she is not a stranger to the stage. She spent over six years performing with her school orchestra and more than three years in ballet through the Landing Dance Academy. She has loved being a part of this experience from start to finish and looks forward to participating in future productions.

Court'nee Desmond (Ghost of Christmas Yet to Come, Voice 1 & 4, Miner's Wife) – Court'nee usually plays the supportive mom sitting in the seats enjoying the shows and never dreamed she would be a part of the entertainment. In her first acting experience as the Ghost of Christmas Yet to Come, she is excited to share the stage with two of her daughters. Although she is breaking out of her comfort zone in colossal fashion, she is enjoying being part of this wonderful, talented, dedicated cast.

Mary Desmond (Ghost of Christmas Past) – Mary is not a stranger to the stage, with *A Christmas Carol* being her 5th production. Credits include *Frozen Jr*, *Junie B. Jones*, *Charlie and the Chocolate Factory*, and *Seussical the Musical*. Although a serious young thespian, she is funny, creative, and loves singing.

Cassidy Fisher (Belinda Cratchit) – Cassidy is a first-time performer for Footlitters! She is a 7th grader at Northern Michigan Christian School and a dancer at the Landing Dance Academy. Cassidy has been dancing since she was 4 years old and her goal is to earn her toe shoes. Music is another big part of her life; she plays the flute and sings for both choirs at school and church. Cassidy wanted to give acting a try after watching her favorite musical, *Gentlemen Prefer Blondes*. She is very grateful for the opportunity Footlitters has given her.

Quinn Godfrey (Tiny Tim) – Quinn is excited to join the cast of *A Christmas Carol* for her 7th time on stage, and her first time being a part of a full Footlitters' production! In her free time, Quinn enjoys playing hockey, cuddling her cat, Max, and playing with her dog, Arlo.

Gabrielle & Baby Haiderer (Mrs. Cratchit) – Gabe is excited to be part of this amazing cast as they help kick off the Christmas magic in our community! Many Footliters parents enjoy doing shows with their kids, and Gabe is excited to join their ranks in this first (of hopefully many) shows that she gets to do with a still-on-board Baby Haiderer. She wants to thank her amazing husband, David, for always encouraging her to do Footliters shows! And she wants thank any medical professionals in the audience in advance – just in case Baby decides to make his entrance early. She jokes, of course. We hope!

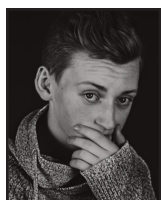

Don Harris (Jacob Marley, Ensemble) – Born and raised in Ohio, Don, a retired engineer, has lived in Cadillac since 1990. He holds degrees from Kettering University, Carnegie Mellon University, and Kendall College of Art and Design, none of which relate to music or theater. A *Christmas Carol* is his second Footliters production. Previously, he appeared in *Hello Dolly!* His only other recent theatrical experience was in last year's *Nutcracker* with the Landing Dance Collective.

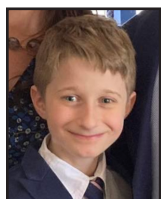

Alex Hurley (Dick, Sailor, Wealthy Man, Ensemble) – Alex is happy to be back on the Footliters stage for a play! *Newsies* was such a great experience that he couldn't wait for another opportunity to perform. When Alex isn't acting he enjoys playing viola, bass guitar, tennis, and bowling. Alex would like to thank the cast and crew of *A Christmas Carol* and his family for their support.

Sara Hurley (Fred's Wife, Business Woman, Ensemble) – Sara is excited to be making her Footliters debut! After a lengthy hiatus from theater she is so happy to be back on stage. Sara would like to thank her son Alex for encouraging her to audition, her husband Josh and son Cameron for their support, and this incredible cast and crew!

Jacob Johnson (Bob Cratchit) – Jacob Johnson has been part of the Footliters family for quite some time. He has participated in multiple productions such as *The Addams Family*, *Mamma Mia!*, *Tony and Tina's Wedding*, and so much more. Jacob loves dancing, laughing, and just enjoying life to its fullest. He hopes that you enjoy this wonderful and stunning production.

Charlie Kendell (Young Scrooge, Turkey Boy) – Charlie is in 5th grade at St. Ann School. This is his 10th onstage production between Cadillac Footliters, Old Town Playhouse, and Interlochen summer camp productions. Charlie loves acting, running, baking, geography, and learning about other countries. He loves spending time with his family, especially his older brother and sister, and friends, especially his Footliters friends. He also loves hosting the Footliters video productions *What's That Show* with his friend Lexi Alto, and thanks Jay Simon for doing a pretty good job producing it. Charlie loves Christmas and loved being in *A Christmas Carol* and hopes you enjoy it.

Melissa Kendell (Plain Sis, Charity Worker, Businesswoman, Caroling Ensemble) – Melissa is thrilled to be back onstage with her Footliters family, both old and new, and is especially happy to share the stage with her son Charlie. Melissa is an 11-year veteran of Footliters, having contributed both onstage and off as an actor, director, and choreographer. She has enjoyed bringing characters to life onstage, and has also appeared in various commercials and a feature film. Favorite Footliters roles have included Belinda/Favia in *Noises Off*, Miss Scarlett in *Clue*, Gabriella in *Boeing Boeing*, Dancing Queen in *Mamma Mia*, and Morticia in *Addams Family the Musical*. She hopes you enjoy *A Christmas Carol* and have a wonderful holiday season!

Madi Liddy (Darcy, Ensemble) – Madi is very excited to have another opportunity in theater. *A Christmas Carol* is her second production with Footliters. Madi is a member of the Cadillac student band who plays the clarinet. She is 14; the youngest and only girl in her family. She has three older brothers and two dogs.

Natalie Londrico (Fan) – Natalie love's acting, singing, and volleyball. She was singing before she could talk, and also has a big interest in fashion and makeup. Her closet is even color coordinated! Her volleyball team was ranked number one in her league. This was her first year playing volleyball, and she loved it! She has eight brothers and sisters, but because they're all in their 20s and 30s, she sometimes feels like an only child. She also has seven nieces and nephews! She's obsessed with Christmas, which kind of works out because her name also means Christmas, and her birthday is December 20th! She's so happy to be a part of this play, and she loves her role!

Paige S. Losinger (Belle, Caroline) – Paige is incredibly honored to be taking part of this production! She has been acting since the age of five but this is her first show with the Footliters. Some of her more recent show credits have been Anne of Green Gables at the Midland Center and Willy Wonka at the Mt. Pleasant Broadway. Paige hopes everyone enjoys the show!

Max McKinley (Young Jacob Marley) – Max is a freshmen at Cadillac High School. This is his 6th production. He loves being a part of Footliters and the opportunity it presents him to challenge himself, learn and grow with every new role. Max is very excited to be a part of this show. He is looking forward to helping everyone get into the Christmas spirit, alongside his friends and talented cast mates, as they come together to share A Christmas Carol with our community.

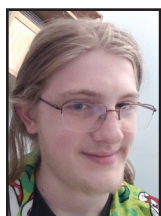

Charles Mosher (Ensemble) – Charles Mosher has previously been involved in several school performances, and made his Footlighters debut in Junie B. Jones last fall. Since then, he has acted in Seussical the Musical with Footliters, and Witness For the Prosecution with Northern Lites Reader's Theatre. Aside from the performing arts, Charles enjoys playing soccer, video games, reading, and being a goof ball. Charles' favorite part about acting is making new friends and trying things he's never done before.

Jay Simon (Ebenezer Scrooge) – Despite the insistence of his lovely wife, Jay has not actually been preparing to play the role of Scrooge his entire adult life. It's not his fault everyone leaves the lights on when they leave a room. A 21-year Cadillac resident who emigrated from "The Down States," Jay discovered the Footliters and theater in 2017 and has been hooked since. He wants to thank John Martek for his makeup expertise, his aforementioned wife Deb for the love and sarcasm, and you for supporting the arts in Cadillac.

Kelli Simons (Ghost of Christmas Present) – Kelli is thrilled to be back on the stage in this holiday classic. With experience both on and off stage — as an actor, director, costumer, and stage manager — she's embraced a variety of roles, including Donna in Mamma Mia, Mrs. Wormwood in Matilda, and M'Lynn in Steel Magnolias, and most recently as Director of Hello Dolly. Forever grateful to her kids for being a constant source of inspiration, she dedicates this performance to those who remind her to bring her best every day. Enjoy the show!

Griffin Soblewski (Apprentice Scrooge, Helmsman, Slave, Wealthy Man #1, Husband) – Relatively new to the world of acting, Griffin performs for the second time in A Christmas Carol. A fan of theaters and musicals for many years, but too afraid to perform, he has finally begun to embrace the stage, a place he has come to love. He is grateful for the kindness the directors have shown to him and the friendliness of the cast, and hopes to be back for future performances!

Kevin Stagg (Ensemble) – Kevin has had fun learning all of the aspects of this show. From working with the adults, learning sword fighting, and interacting with Scrooge, Kevin has loved being a part of this production. Kevin loves being onstage and making new friends in each show. Kevin has graced the stage in Junie B Jones and Seussical Jr. The love of the stage for this young actor cannot be quenched!

Remus Throop (Fred) – Remus loves being on stage and has loved the time put in for A Christmas Carol. Remus has enjoyed working with Liz to bring this show to life for you! Think Remus looks familiar? You’ve seen him before in Mamma Mia, Matilda, Our Town, and Hello Dolly! Outside of the stage, Remus finds joy in gardening, riding his motorcycle, and in the company of his loved ones. Look for Remus in future shows, because he cannot get enough of theater!

Julie Van Haitsma (Pretty Sis, Charity Collector, Caroling Ensemble) – Julie is happy to be a part of the cast of A Christmas Carol. Julie has directed many shows over the last 35 years and still loves being a part of it. She is grateful to her husband Dave for being the meal maker, laundry washer, and main stabilizer at home so she can keep “playing.”
